PROFESSIONAL OVERVIEW

I am a dynamic individual with passion for learning, exploring new opportunities, creative arts and design and tech enthusiast. My 3 year experience in my current occupation has enabled me accrue experience and skills in proper customer handling, data management, technological adeptness, organisational skills, and attention to detail which has led to an increase in 10% clientele growth. I am completing pursuing my certificate in graphics design with Women in Technology Uganda located in Bukoto and looking forward to be part of and exponentially contribute to the development of a corporate environment that is dynamic, healthy and with a positively challenging culture.
